

Crafted by the Creator

**16-18th October 2020
Spring Beach Youth Camp**

Invitation

This year has raised a number of questions, turned plans upside down and impacted our daily lives in unimaginable ways within moments. *Crafted By The Creator* is your opportunity to reconnect with your Creator, fellowship with Christian sisters, express your God-given creativity, explore the natural surroundings and support our wider community. If your year has been scheduled to the max or you crave a solitude to 'be still and know that I am God' (Ps 46:10) this weekend is for you!

Creating

Our retreat will provide something for every woman no matter her season in life or circumstances. Krystal Harder, Tasmanian Women's Ministries Leader, will weave creative spiritual jewels throughout the retreat to help us uncover more of our amazing, Creator God. Our Sabbath program will incorporate 2 creative and recharge sessions to minister to our various needs. This year we are blessed to have Raelene Groenewege artistically minister with her rock painting while Shaz Bryan will guide us with cards and scrapbooking. Opportunities for a Scriptural-based encouragement, prayer walks and photography will abound as we connect with our Creator within a nurturing and inspiring environment. Alternatively if you'd prefer to complete or commence a BYO project you just haven't been able to find time for this is your opportunity...

Community Project

Because we have been *Crafted By The Creator* we are blessed to share our skills and talents with others. We are partnering with ADRA Tasmania and Victoria to assist those who are disadvantaged. Any crochet, knitted or handmade beanies, gloves, socks/slippers or blankets will support this. Ladies you can create and bring to the retreat and/or use time at the retreat to contribute. We will also be creating reusable face-masks to assist ADRA Victoria under the guidance of Natasha Jordan on Saturday night and Sunday morning. These facemasks need to be 3 layers of breathable fabric or a 2-pocketed design, which can have an air filter layer enclosed.

Craft

If you are an avid crafter feel free to bring your preferred equipment for card/scrapbooking and/or rock painting. Into crochet or knitting then bring your patterns to share as well as your needles, hooks and wool. If you have room to bring your sewing machine to assist us in our production line it would be appreciated. If you don't have any of these at home or it's not your talent your willingness is all we require.
