Camp Regulations – Terms and Conditions

The purpose of the convention is to build the spiritual life of the church, to seek the power of the Holy Spirit that we may be guided to better serve the Lord. To ensure that this camp will be a blessing to all as we fellowship together and in the interests of safety, practicality and Christian harmony, we solicit your co-operation in the observance of the following simple rules:

Child supervision

Children/teenagers under the age of 18 must **NEVER** be left on the grounds overnight unsupervised. Children/Teens 15 years and under are to be with their parents/guardians within one hour of the conclusion of their last meeting for the day or by 10:30pm, whichever comes first.

Child Safety

Parents are reminded that their responsibility for their children does not cease when they come to camp. While every care is taken, and there are activities for children, camp is not a child minding facility. While we provide as much care as possible the ultimate responsibility for the care of children always remains with parents or guardians.

Please ensure that the conduct of your children and young people is adequately supervised throughout the camp period, and that your children are fully under your control between meetings.

It is essential that parents do not assume that their children are safe. Parents need to know **at all times**:

1. Where their children are.
2. What they are doing.
3. Which adult is responsible for their supervision and safety.

Behaviour

1. The behaviour of those staying on the campground is to be appropriate for a Christian Convention.
2. Any electronic musical device or other instrument is to be used in a manner not likely to cause annoyance to neighbours in adjoining sites (cabins, caravans or tents).
3. Loud and offensive language is not accepted or tolerated. Offenders will be asked to leave the grounds.
4. Quietness is to be observed between the hours of 10:00pm and 6:00am.

Alcohol and Other Drugs

As the campground is designated an alcohol, tobacco and drug free environment the following rules apply:

1. Alcohol, tobacco and illicit drugs are not to be brought onto the campground. Offenders will forfeit their rights to be on the grounds. Motor vehicles used to bring alcohol, tobacco or illicit drugs onto the campground will be refused further admittance to the campground for the duration of camp.
2. If it is found that alcohol, tobacco or illicit drugs are being consumed at a particular campsite, then all occupants of that site will be required to vacate and forfeit all rights to the site, and will not be allowed to use the site again for the duration of the camp.
3. Police will be notified if illicit drugs are found on the campground.

Mobile Phones

Out of courtesy for others and to save interrupting the meeting and causing a distraction, all mobile phones should be turned off or set to silent mode during the meetings.

Vehicle Access and Speed Limits

A new road has been created across the paddock. Therefore all access will be via Thompsons Rd.

ALL CARS must be parked in the car park in the paddock. No cars will be allowed to park permanently, or drive regularly, in the tent or caravan areas. **THIS IS A SAFETY REQUIREMENT.**

A strict speed limit of 5 kms/hr will be enforced. This is approximately walking pace.
